

ANTONIO COLOMBA

NYC / Remote
(561) 271-1163

Operations Support | Production Coordination | Customer Support

Reliable, detail-oriented worker with a background in deadline-driven creative service production environments, client revisions, visual quality control, troubleshooting, AI content creation workflows, and agentic engineered technical projects. Strong fit for support, AI onboarding and adaptation of operations, admin, production coordination, temp, and technical support roles.

BEST FIT ROLES

Customer Support Representative | Operations Assistant | Data Entry Clerk | Office Assistant | Production Coordinator | Technical Support Associate | Customer Success Coordinator | Onboarding Assistant | Temp Office Support

CORE STRENGTHS

- Calm written communication, organized follow-up, and careful handling of details.
- Client/project background with revisions, deadline pressure, quality checks, proofing, and production standards.
- Comfortable learning software tools, troubleshooting issues, documenting process, and following structured workflows.
- Ready to support ticket handling, research, CRM updates, data entry, checklists, file organization, customer communication, and AI content workflows.

PROFESSIONAL EXPERIENCE

Freelance Engagements, High-End Digital Retoucher

NYC | dates to confirm

- Delivered detailed visual finishing and retouching work for agency, studio, and commercial clients.
- Worked with teams including Foam Digital, McCann Erickson, Urban Studio, Nucleus Imaging, Digital Evolution, EMR Systems, Fuel Digital, Color Edge, and Young & Rubicam Inc.
- Managed image correction, color matching, compositing, proofing, revision cycles, client direction, and quality-control expectations.

291 Digital, High-End Digital Retoucher

NYC | 12/2005 - 09/2006
